SUBJECT: ERICK S. HACKING

Dear Rees:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Dear Fred:

Thank you for the information concerning Eric Hacking. This information will be very helpful to us in setting up our file to refuse registration at a later date.

We feel that this situation is such that there would be no time that Mr. Hacking could re-register with the Boy Scouts of America. We would refuse registration wherever he goes, because we would not wish him to become involved with youth in some other situation.

If you can give us any more detailed information on the situation which took place previously, we shall appreciate it since this would strengthen our file. The names of individuals or other conditions would help.

Sincerely,

Dear Paul:

We appreciate your patience and follow through on the above situation. We have been waiting for the final court action and decision before submitting the enclosed report.

We are aware of the seriousness of the problem Eric Hacking committed, a first degree felony in the state of Utah in sex molestation. In the court proceedings and under the circumstances present, the Judge dismissed the mandatory prison sentence under the following five circumstances:

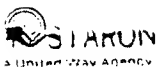

1. That he would accept being on probation and parole for three years.
2. That he would be available to the Court during that period of time.
3. That he will violate no laws during that time.
4. That he will be enrolled immediately in the sex offenders program at Utah State Hospital and complete the program.
5. That his case will be reviewed in six months.

Under the circumstances, when Eric completes the sex offenders program, would he still be prohibited from being involved in Scouting? We need your input and judgment.

Scoutingly,

Fred R. Day  
Scout Executive
